Article 1 - Terms and conditions of use of the surfing equipment

Renters are required to take care of the surf equipment and to respect safety instructions when using it (an information booklet including surfing priority rules will be provided to you on the day of rental). Before the equipment is made available, the renter must check its general condition. If applicable, the renter is required to immediately report any damage to the board to the golf surf school staff. No subsequent complaints will be accepted.

A copy of the contract is given to the renter when the surfing equipment is collected.

Article 2 - Responsibility of the renter with regard to the golf surf school

The renter will be liable for all damage caused to surfing equipment during the rental period, whether he is responsible or not.

In the event of material damage, the renter will be required to pay the Golf Surf School the value of the repairs to be made, according to the prices indicated below.

- Surfboard stolen or lost: new value
- Board broken in half or bent: the used value of the board before the damage
- Small tear/dent on surfboard and bodyboard: €30
- Big tear/dent on surfboard and bodyboard (bigger than 3cm): €60
- Plug torn off: €50 per plug

Article 3 - Responsibility of the renter towards third parties:

The renter is held responsible for the use of surfing equipment for the entire duration of the rental. The renter is liable for all bodily injury and/or material damage suffered or caused to third parties during its use, whether the renter is responsible or not.

Article 4 – Insurance:

The renter must be insured for civil liability. The Golf Surf School cannot be held liable in the event of lack of such insurance.

Article 5 –Cancellation, Deposit:

In the event of cancellation by the renter less than 48 hours before the booking is due to start, the entire cost will be retained by the lessor.

Upon pick up, the renter must leave either a valid identity card (passport/national identity card/driving license) or a copy/ photocopy of a bank card as a deposit for the value of the rental. Upon return of the equipment, the deposit is returned to the renter after deduction of any possible damage caused by the renter as described in Article 2.

Article 6 –Surfboard transportation:

The renter is responsible for transportation of the surfboard from the beach to their accommodation.
